

For Noordwijk, the year 2016 is marked by the 150th jubilee as a seaside resort. Throughout the year there will be small and big events which together will demonstrate the resort's pride, spirit and opportunities. Nature, culture, sports, space travel and sustainability will be recurring themes in the celebrations. For more information: [www.noordwijk150.nl](http://www.noordwijk150.nl)
